

THE GEELONG GERMAN SHEPHERD & OBEDIENCE DOG CLUB
NEWSLETTER NO.6

Dear Members, as advised in our last Newsletter printing costs of the Newsletter were reaching astronomical proportions, so we have decided to revert to a two to four page handout as was initially run.

This obviously means no more articles can be featured and this will become just a basic Newsletter covering areas of note relating to trials, forthcoming social functions and anything that is relative to all financial members of the club.

To those people who contributed to the previous Newsletters grateful thanks are extended for their support and interest.

TRIAL RESULTS

SOCIAL SCENE

CHRISTMAS PARTY 7TH DECEMBER, 1985 GREAT BAND, "REMARKS" SPIT ROAST SUPPER
PLUS
NEW YEAR'S EVE PARTY(BASH) MUSIC SUPPLIED B.Y.O.EVERYTHING ELSE(SLEEPING BAGS TOO)

This latter event is for those members who don't normally get a chance to attend a New Year's Eve function for a variety of reasons but more particularly for those with families.

Please see LISA McPHEE if you wish to attend either or both functions and put your name on the appropriate list(s). An indication of attendances is vital to efficient management of any function.

CLUB WINDCHEATERS

Members interested in obtaining a Club windcheater can order these through our Treasurer, Mrs.DOT TILLEY on any training day or night.

REMEMBER

October 27th is the last day of Sunday training for the year.

This day has been set by the Victorian Government for Children's Day. This is a day where various clubs throughout the State are acting as host Clubs and will be offering proficiency certificates to any child who participates with their dog on that morning. They will be shown basic care and management of their dogs and so help to promote the theme of Responsible Dog Ownership.

As we are unsure of the numbers of children participating classes will initially be scheduled from 9.30a.m.to 10.00a.m. However, this time may be extended if the outside interest is not there.

October 30th is the FIRST of our Wednesday evening training classes over the daylight saving period. Classes commence at 7.00p.m. and it would be appreciated if all members could endeavour to get there on time as an act of courtesy to the Instructors.

Hopefully the next issue of this Newsletter will come out at the end of November as originally scheduled.

ALL MEMBERS ARE REMINDED THAT WE HAVE OUR LAST TRIAL FOR THE YEAR ON DECEMBER 1ST. SO IF YOU ARE NOT COMPETING, REMEMBER THERE IS ALWAYS A JOB FOR YOU ON THE DAY. THERE WILL OF COURSE BE WORKING BEES PRIOR TO DECEMBER 1ST AND THESE WILL BE ANNOUNCED IN YOUR CLASSES PRIOR TO THAT DATE.

TO THE NEWER MEMBERS - the Club collects any used bottles or jars, and any aluminium cans. If you have any please leave them in the holding yard at the opposite end to the gateway.

If you have any old blankets or rugs the Lost Dogs Home would appreciate them, and also any donations of canned or dried food that might sustain one dog just that little bit longer whilst looking for a new owner. Donations can be left in the Club rooms, and members can approach any Committee person or Instructor as to where to deposit them.
